PRESENTATION

Editorial n.1 of 2024 - Inter-Ação

"The next decade in education must be paved in the exercise, in all institutions, spaces and processes, of respect, tolerance, promotion and appreciation of diversity (ethnic-racial, religious, cultural, generational, territorial, physical-individual, disability, high ability or giftedness, gender, sexual orientation, nationality, political option, among others)" (CONAE, 2024, translated by us).

The excerpt from the final document of the National Conference on Education (CONAE, 2024), held in January 2024 in Brasília/DF, illustrates the immense challenges we have for education in the next decade. At the same time, we know that Brazilian education faces the challenges of regional inequalities, intra-regional inequalities and local conflicts. All these aspects have an impact on education policies and our next National Education Plan.

To the same extent, the cover of our issue, with an engraving by our local artist, Zé César, reflects some of these challenges and, at the same time, the ongoing disputes: art, peace, reading the world, friendship bazaar, intelligence market, dream kiosk...

Thus, our first issue of Revista Inter-Ação takes place in the midst of an intense national agenda: The holding of the National Conference on Education (CONAE-2024), preceded by hundreds of state, municipal, district, inter-municipal and free conferences; the debate on the new National Postgraduate Plan; the mobilization for the reform of secondary education, which continues to be a cause for concern, given the progress of the bill to modify this stage of basic education; free conferences in preparation for the 5th National Conference on Science, Technology and Innovation; the outbreak of a strike by technical-administrative staff in education and teachers in federal higher education institutions, among many other conflicts, activities and movements.

The movement around emerging issues certainly drives us in our educational work. Our journal wants to contribute to the debate, to the diversity of topics and to reflections on our educational activities. That's why the invitation to read is inspired by Conceição Evaristo

"When I bite
the word,
please,
don't rush me,
I want to chew it,
tear it between my teeth,
the skin, the bones, the marrow,
of the verb,
so that I can verse
the core of things"
(Evaristo, 2021, translated by us)

This issue is full of possibilities, with a range of articles on a variety of topics: Laurentino Nhacuongue and Carlos Vasconcelos open this issue with the article "The Local Curriculum as a Strategy to Promote Cultural Diversity In Mozambique"; Aline Ribeiro de Oliveira and Juarez José Tuchinski dos Anjos publish the article "Children's Week Commemorative Practices in the Park School Of Brasília (1960-1971)"; Fábio Araujo de Souza and Janaina Specht da Silva Menezes present a discussion on "Royalties in Education in the Municipalities of Costa Verde, Médio Paraíba and South-Central Region from the State of Rio De Janeiro"; the debate "La Educación Brasileña Contemporánea, como Derecho Universal, a Partir de un Encuentro entre Paulo Freire, Zygmunt Bauman y José Moran" will be presented by Erica Rezende Perini, Fernanda Cardoso de Menezes Bahia and Ana Carolina Carius; Angela Aparecida de Almeida publishes "Perceptions of the Use of Artivism Allied with Feminist Pedagogy in an Experiment in Basic Education"; Daniele Campos Botelho, Mário Luiz da Costa Assunção Júnior and Marta Maria Prata Linhares reflect on "Simultaneous Perspectives: a Reflection on the Educational Experience as an Appropriation-Reproduction-Manipulation Process"; Débora Cristina Aureliano Rossi Delalibera and Diogo Fogaça Carvalho discuss the "Emission Feedbacks by Teachers in the Teaching and Learning Process in the Undergraduate Law Course".

These 28 articles are certainly a major contribution to the educational debate. We hope that you will be able to read, appreciate, disseminate and share our issue. We also hope that the articles presented here can help us to build an education based on "respect, tolerance, promotion and appreciation of diversity"!
