

School life

I love to study at Cepae

I like U.F.G.

School life was different in 2002

The boys... Tell me about it

Boring!

Aggressive!

I love my teachers

Talkative to students, boring students, lazy students!

They aren't helpful, funny, friendly, easygoing!

I just know... I love U.F.G.

Sofia Mruk Simões, 8º B
